Course Overview

Who needs a palm reader? With free-form embroidery and a pre-printed hand shape on silk, you can stitch your own fortune! Make your life line with cross-stitches, money line with back stitches, or your heart line with bold French Knots. Learn how to combine embroidery stitches and fill your palm with texture, color, and pattern. Your kit for designing your own fate includes a pre-printed outline of a hand shape, hand-dyed threads, embroidery needles, and a book of directions for hand embroidery stitches.
