

Sisters Quilt Show or Bust!

WOOL PROJECT with Anna Bates

Beginner - Advanced

A wonderful Vintage Truck Mat designed by Stacy West of Buttermilk Basin commemorating the 2018 Quilter's Affair. As with all her patterns you can personalize the design. This is a great class for the seasoned wool stitcher or the newbie! In this class you will learn to prep your wool motifs, layer the design and start stitching with the knowledge that this will NOT become a UFO! Expect a fun relaxing day!!
