

# Foundation Paper Piecing: Atomic Starburst

with violet craft

## Workshop Overview

The Atomic Starburst Quilt is made by combining foundation paper pieced Starburst blocks with traditional piecing for a vibrant, mid-century modern quilt. Foundation paper piecing is a great project for any sewist from beginner to advanced. There is always something new to learn! We will begin our time discussing general information about foundation paper piecing, best practices and tools.

Then we will begin our project together and work step by step through foundation paper piecing. More advanced students are encouraged to move forward while I work with students requiring more hands on instruction. If time allows advanced techniques will be covered with students who are ready for them. Throughout the class period I will stop the group and demonstrate as questions arise.

Before the end of our time together we will cover paper removal, piecing the quilt top, finishing and quilting.

Supply List	R=required O=optional A=available for sharing in class S=available for purchase in class	
pattern	Atomic Starburst	R
templates	Copy ahead of time and bring to class.	R
rotary cutter		R
personal cutting mat	I use a 12" spinning mat.	R
quilting ruler	Any ruler with 1/4" lines. I prefer a 12" Add-A-Quarter or Add-A-Quarter Plus ruler	RS
thread		RS
seam ripper	This is not an option. It's a necessary part of foundation paper piecing :)	R
seam roller	Curved roller barrel is preferred.	O S A
tape	Double-sided, easy-stick tape (temporary roller-type found primarily in scrapbooking section)	O S A
paper scissors	Scissors for cutting paper	O A
fabric	Fabric requirements are listed on the back of each individual pattern.	R
