Creative Design 2 Day

"Where do you get your ideas?" is a question I am often asked. This class is about some of the ways and means of my approaches to quilting and quilt design. Using my clear, simple exercises, quilters will make a small quilt on each of the 2 days. By the end of the class they will know some of my favorite techniques, and each quilt will be completely different. Suitable for all levels.

Machine sewing.

Rotary cutter, larger rulers and mat.

About 4 yards fabric, with some solids, with lots of contrast, nothing coordinated.
