Book Purchase Recommended: Strip Smart Quilts by Kathy Brown

Basic Sewing Supplies Required? YES

BSS includes sewing machine in good working order with new needle (and owner's manual is sometimes helpful), rotary cutter, cutting mat, ruler, fabric scissors, tape measure, pencil, pins, and seam ripper.

Special Notions Required?

4 ½" 90 degree Double-Strip Ruler by Creative Grids

One new bottle of your favorite spray starch (put your name on it!)

Don't forget the seam ripper...it will definitely get used!

Fabric Requirements:

One Jelly Roll or 40 assorted 2 ½" x WOF strips ~ (WOF is Width of Fabric, generally 42" to 44")

3 yards of background fabric

¾ yard for inner border

2 ¼ yards for outer border

5 yards for backing

79" x 90" batting

Special Instructions (aka "pre-work" to be done before coming to class)

From your background fabric, cut (40) 2 ½" x WOF strips. We will begin sewing strips together right away and I wouldn't want anyone to fall behind because the background strips aren't ready to go. This cutting can be a bit tedious. I like to use the Stripology Ruler for this type of repetitive cutting. There are a couple of Stripology Ruler tutorials on YouTube if you would like to see a demonstration.

Thanks for joining me in this fun technique class. Your quilt should come together very quickly with very accurate results. Looking forward to our time together! ~*Tamra*
