

Colour Works is a vibrant quilt uses large scale, multi-coloured prints. The feature prints are shown off as hero fabrics by using low key tonal prints for the background and stripes for the sashing.

**Focus Fabrics:** Select large scale prints by popular contemporary designers like Alexander Henry, Kaffe Fassett, Jennifer Paganelli, Anna Maria Horner. Or if you like, you can gather large scale Japanese, reproduction or even novelty prints as long as they are attention grabbing big scale prints! If this is something that scares you we can always go shopping together!

**Backgrounds:** Consider low key fabrics that are either hand dyed, batik or small prints. The background fabrics in the quilt are Marcia Derse. The stripes are Kaffe Fassett shot cotton.
